

You are cordially invited to a virtual Fundraising Reception for
State Senator Larry Liston
Senate District 10

Senator Liston has been a long-time friend to the Colorado physician and many other health providers community, serving over 12 years as a senator and representative in the Colorado statehouse.

He has carried legislation that reduces burdensome regulations on the healthcare community while still considering patient and client safety!

We need his understanding and experience to remain in the statehouse.

Meet Senator Liston

December 20, 2023
5:00-6:00 pm

Via Zoom

<https://us02web.zoom.us/j/85702688111>
